Report (2020-21)
PRINCIPAL MITRA: A Lead Students Activity

The principal objective of Principal Mitra: A Lead Student activity is to involve students in institutional governance. The other objectives are –

- To produce strong leaders for Nation;
- Understand the basics of leadership versus management that will constantly help to improve infrastructure;
- Spark awareness and interest in careers with the quality of leadership;
- Making students more interactive;
- To inculcate sense of ownership and responsibility;
- To develop Peer Guidance and companion counselling.

Intended outcome: This activity will motivate the Lead Students of the college to share ideas, interests, and concerns with peers, teachers, principal and administration. They can also help for college-wide activities, including social events, community projects, helping people in need and quality reform. The underlying principle of the practice is 'participative leadership'.

Under the guidance of activity in charge Dr. Mrunal M. Mahajan, students enjoyed freedom of expression, whilst acknowledging others' right to expression, had an awareness of safety regimes, including policies and procedures, developed employability skills through both curricular and extra-curricular activities, represented on behalf of the student body that provide opportunities for social development, helped in maintaining cleaner and greener campus and closely connected to the college authorities. With constant guidance and counseling, students developed the sense of leadership and responsibility. The Lead students came out exceptionally disciplined volunteers during various college events with NSS and NCC volunteers. In the pandemic of COVID – 19, Lead students where the one who closely connected with the students who were in need of ration, grocery, medical facilities, etc with the principal, justifying the name Principal Mitra.

In the year 2020-21, we could not resister new lead students due to COVID – 19 limitations.
