Quality Policy for Solid Waste Management

Brijlal Biyani Science College believes in "Let's go green and keep our campus clean".Institute is very conscious of generating less waste and recycling it by passing it through a system that enables the used material to be reused ensuring that fewer natural resources are consumed. Our Policy about Solid Waste Management is to separate wet and dry waste of the campus in different containers and then send it to Amravati Municipal Corporation for further treatment.To achieve this, every day the AMC(outsource agency)van picks up the dry waste from the campus.

Quality Policy for Clean and Safe Drinking Water Storage

We the, Brijlal Biyani Science College believe to provide safe and Hygienic environment in the college. We always strive to provide clean and safe drinking water and its storage. Our agenda about water tank cleaning is to clean the storage tanks quarterly.To achieve this, we appointed **Bhoomi Enterprises, Water Tank Cleaners,** the outsource agency. They are known to be among the most eminent organizations involved in offering a broad array of **WaterTank Cleaning Services.** The offered service is executed under the stern supervision of our skilled professionals using the optimum quality tools and high-end techniques. Bhoomi Enterprisesadopts following scientific procedure to clean water tanks.

1. Draining of the whole water from tanks, initially.
2. Clean the tanks with high water pressure.
3. Tanks are vacuum cleanedthereafter cleaned with bleaching powder.
4. Lastly T. D. S. test is carried out.
5. Notice of next cycle of cleaning is displayed immediately after cleaning.
