Educational Activities of Shri Brijlal Biyani Shiksha Samiti

Shri Brijlal Biyani Shiksha Samiti has been founded in the year 1969 in cherished memory of Vidarbha Kesari Late Brijlalji Biyani, the great political and social awakener of Vidarbha. His services in the field of Art, Literature and Education were also great and outstanding. Science 1920 he came into eminence as a selfless freedom-fighter and devoted all his life to the upliftment of the downtrodden section of the society. He left his glorious impress on every thing he touched and his undying footprints on the Sand of time will always remain a perennial of inspiration to the people of Vidarbha for generation to come.

This Shiksha Samiti, to commemorate his memory, was registered under the Societies Registration Act and the Bombay Public Trust Act also. The donations to this society are admissible for tax-relief under the Income Tax Exemption Certificate thereto by the lncome Tax authorities. Recently the Society has been recognized as Hindi-linguistic Minority Educational Society by the Government of Maharashtra.

The society is at present, running a full-fledged Science College with Postgraduate (Botany & Electronics) Degree courses, Bachelor of Science, Bachelor of Business Administration, Bachelor of Computer Application, Bachelor of Commerce and Junior College classes. The College has today become one of the premier institutions of the town. On account of the teamwork of highly qualified and devoted lecturers, well equipped laboratories, libraries and scientifically planned periodical internal assessment system and extra special coaching scheme, the performance of this College during last years has shown remarkable progress and won lures in academic field.

Rajendra Nawandar
Secretary

Shri Brijlal Biyani Shiksha Samiti's

BRIJLAL BIYANI SCIENCE COLLEGE,

AMRAVATI.

▸ ▸ ▸ ▸ PROSPECTUS 2016-2017 ◂ ◂ ◂ ◂

Aim and Spirit of The College

We aim at giving our students a sound education which while training them for academic career, will also make self reliant, keen cooperative and incorruptible citizens.

We believe in the supremacy of spiritual and moral values, in the importance of sound education over mere instructions, in the training of character, through regulated freedom and personal guidance.

We want our student to develop uprightness of character, loyalty to authority, devotion to duty, friendly comradeship and spirit of social service.

THE MISSION

The college shall endeavour:

To provide secular, disciplined, caring and ethical environment that encourages the student and staff to be at their best.

To develop entrepreneurship qualities in the students and ultimately mould them to become humble human beings.

To develop, implement and continually improve teaching-learning process by adopting progressively new technologies, to educate the students and to quench their thirst to knowledge.

To strengthen the Institute-Society relationship.

To provide talent for the upliftment of the society and to help the Nation in character building.

The college will reopen on Monday the 13th June 2016.

The Students shall be admitted to different courses by following Govt. / University directions. All the notices related to admission shall be displayed on college notice board from time to time.

About The College

College Campus

The College campus, which is actually a Biyani Educational Campus with all the major education institutions of Shri Brijlal Biyani Shiksha Samiti is situated in a centrally situated area of Amravati City i.e. at Durgavihar, near Dasera Maidan. Though centrally situated, the place is quite calm and quit, a perfect and ideal atmosphere for any educational institute of function.

The campus is sufficiently large with an area of about 7.2 acres. Due to large space available there is ample space for different playgrounds. Presently the beautification programme of the campus is underway and in a few years the campus will be surrounded by lush green trees giving a very charming and pleasant look to the campus.

The college has started two years full time Post-Graduate program from the Academic Session 2007-08 which leads to M.Sc. Electronics (Instrumentation) degree which grooms students for a high profile career in design and development of electronics products.

The college has also started three-year full time undergraduate course Bachelor of Computer Applications from the session 2008-09 and B.Com (Computer Applications) from the session 2010-11.

The college has introduced two one year P.G. Diploma Courses in *Bio-Medical Electronics* and *Mechatronics* from 2012-2013. These courses are helping the students to grab the opportunities available in hospitals and automobile industries.

College Building

The college has its three stored building with enough space for accommodating different teaching deptts, class rooms, office, library, etc. The rooms and the laboratories are well equipped with apparatus and furniture.

College Staff

The College has an excellent, hard- working teaching staff. Each member was selected on merit and hence is thorough in his knowledge of the subject he / she teaches. The staff members are keen to see that students get what they desire and what is appropriate. Above all, the staff members are always happy to receive, listen and solve all sorts of problems of students. The non-teaching staff members of the college are also helpful cordial and caring. All the staff members work together to overall upliftment of students.

Facilities Provided By The College

Library

The college has good library with about 21,249 books on various subjects. The important feature of the library is the availability of important reference books such as Encyclopaedia Britanica, Science & Technology Encyclopaedia, Vishwakosh, Year Books, etc., which contain a valuable information necessary for all-out development of student enabling them to face all sorts of competitive examinations. In addition, college subscribes to about 43 magazines and 18 newspapers. The library also has a spacious reading room useful for student as well as for staff. Library runs special schemes such as poor boys aid fund, book bank, issue on deposits, etc. for students. The library also has internet facility, a xerox machine and computers with CD's on different subjects for staff and students.

Games & Sports Department

Being a science college the students are busy throughout the day engaged in the theory as well as practical classes. However, whatever time students can spare the college encourages the students to participate in various tournaments on University, District and State level also. For this, the college has a separate Games & Sports Department with adequate facilities for games like Cricket, Volleyball, Chess, Athletics, Judo, Table Tennis, Swimming, Hand ball, Ball Badminton, etc. The Students get three incentive marks for each game if they play for the college in inter collegiate tournaments.

As a result of this, following students have received colours from the University in last year.

2015-16	Ms. Vaishnavi Shrivas	- Swimming
	Mr. Pratik Chikhlikar	- Swimming
	Ms. Purva Pallival	- Archery
	Ms.Ashwini Gumble	- Youth Festival (Solo Dance)
	Ms. Sanskruti Wagholkar	- Youth Festival (Solo Dance)

The students can score up to 10 incentive marks by participation in these activities.

Following Students of Junior College have represented the college in following Games and sports events and won medals at National level.

2015-16	Ku. Unnanti Raut	-	Archery	(International)
	Ku. Rucha Deshmukh	-	Archery	(National)
	Mr. Sagar Jadiya	-	Cricket	(National)
	Mr. Ayush Gandhi	-	Cricket	(National)
	Ku. Janhvi Panat	-	Basket Ball	(National)

In all 36 students of Junior college participated in different games at state level.

The Junior college students get 25 marks for participation in games as per rules of the Board for passing the HSC Examination. It shall not be possible for the college to sponsor the sports activities organized by associations. The college shall sponsor only those activities arranged / participated by the college

The college has a Gymnasium with modern equipments which are available to the students for improving their physical fitness.

Students Guidance Groups

Each class is entrusted to a teacher for guidance. The teacher looks after the attendance and progress in studies as shown by home assignment, performance at monthly test examinations held and gives general guidance to these students the students must attend the meetings arranged by class teachers and report their difficulties without any fear.

NCC

NCC Girls unit is attached to College and interested students should contact the Incharge NCC girls unit. Benefit of 1% marks in PMT was available to students participating in NCC. The NCC boys unit is expected to be established from this session. Till then interested boys are accomodated in boys units of other colleges.

National Service Scheme

It is the only scheme, which serves a duel purpose. On one side, it develops a sense of responsibility towards social service amongst the students and on other side, its helps the students to undertake measures for personality development. Through the various programmers under NSS, Students undertake various outdoor projects of social service and extensions such as adult education programme, tree plantation, creating awareness about diseases such as AIDS, pulse polio immunization schemes, construction of Nallah bounds, medical checkup camp, blood donation, etc. In indoor programmers, NSS organises various programmers such as speeches by eminent personalities of various fields, group discussion, debate and elocution competition, personality development, etc. Thus any student joining NSS acquires every capability of a good citizen and energetic youth to face all odds. The students also get up to 10 incentive marks for participation in these activities.

Teacher - Parents Council

Yearly 3 to 4 meetings of Council are held. The meetings are presided by the principal. Teacher's representative and parents attend the same. Problems of Students, their progress and different schemes for the overall improvement are discussed and various schemes are finalised and are implemented. This helps in establishing the contact with parents and understanding the views of the students and their parents.

Placement and Counseling Cell

One of the unique features of the College is that it has a summer and a winter placement cell for U.G. and P.G. Students. The prime objective of the cell is to provide employment opportunities to the students of the College. The Cell also conducts various training programmes for students to upgrade their skills and confidence. Counseling to pass out students is also provided in College. Interested students are requested to contact prof. in Charge, ***Career and Counseling Cell*** or ***Training & Placement Cell*** for the guidance from time to time.

Students Grievance Redressal Cell

The College has established ***Students Grievance Redressal Cell*** to solve their academic problems. A separate committee takes the cognizance of the complaints. The college has also installed a complaint box, which is placed outside the college office. The students and the staff members can drop their complaints in this box. This is periodically opened and the complaints are sorted out.

Science Club

In order to keep the knowledge of students abreast in science and to develop interest amongst them a Science Club has been established in the college. Under this activity lecturers, slide shows, etc. of eminent personalities and exhibitions are arranged for the students.

Students Societies

There are number of college societies, such as Students council, Academic Council, Bhasha Samiti, Science Association, Science Club, Nature Club, Garden Club, Sahitya and Sanskritic Manch, Niramay Arogya Mandal, etc. devoted to task of raising the culture, moral, athletic and academic level of the students.

Women Emprovement Program

Women's Grievance (Redressal) Committee is functioning in College. The aggrieved persons are adviced to contact Prof. Mrs. M. A. Gadve, Chairperson of Vishakha Samiti.

Girls Hostel

The college has established a Girls Hostel in College campus for the convenience of girls coming from other towns / villages. The students may contact Warden of Hostel or college office for admissions. The admissions are finalised on first come first admitted basis.

Earn While You Learn Scheme

The college with the financial support from the Foundation Society has Introduced Earm While Learn scheme from 2006-07. The needy and deserving students are provided financial assistance between Rs. 500/- and Rs. 1000/- per month depending upon the need of the student and availability of funds through this scheme in 2015-16 Rs.86,950/- was provided to 18 students. The students are expected to work for two or three hours in a day for the college under this scheme. The Principal may be contacted directly for the details.

Medical Facilities

Dr. Manjushree Boob has adopted this Institution for Women Health Care. Any Girl student of the College can consult her at her clinic during OPD hours free of Charges in case of any Medical problem. The student should keep with her identity card of the College during checkup. Similar facility is being introduced for boys. College provides diagnostic and therapeutic aids to its students. For this, the medical examination is carried out in the month of July-August and the students are provided with advice and medicine, if necessary,

Nature Club and Garden Club

In order to undertake the beautification work of the campus and to involve the students in these activities *"Nature Club"* and *"Garden Club" are* established In the College. The Nature Club undertakes activities such as vermiculture project, bonsai preparation, mushroom cultivation, visiting nurseries of the city, arranging flower shows, etc. The Garden Club undertakes the beautification and maintenance of college Garden and other plantation in the campus.

Health Club (Niramaya Arogya Mandal)

For allround development of any person, it is necessary that one must be physically as well as mentally fit. For building a healthy body and mind the students need a special training. To achieve this, a Health Club-***Niramaya Arogya Mandal*** has been established in the college. A well equipped Gymnasium is also established in oollege. The Health Club organises activities such as lectures by specialists doctors, demonstrations on yoga, organising Yoga camps, etc.

Debating and Elocution Competitions

The College provides ample opportunities and guidance to students for developing their talents by allowing participation in different extra-curricular activities.

Students are encouraged to participate in various debates, elocution and cultural competitions at local / University level. Sahitya Kala Sanskritik Manch has been established in the college to organise various cultural activities. Many students of the college have bagged different awards and trophies form time to time.

Inter-collegiate debate and inter-school elocution competition is held every year on 27th September on the Death anniversary of the Vidharbha Kesari Late Shri Brijlalji Biyani. Attractive cash prizes and a rotating trophy are given to the wining team.

Best Student Awards and Gold Medals

The College gives a cash award and a certificate to the *Best Student* one each from junior college, senior college and PG section in annual Social Gathering. The selection of best student is done by a special committee on the basis of their academic performance and participation in extracurricular activities.

In the year 2015 -16 following students were recipients of the award.

1) Mr. Prakash Mantri - Senior College [UG]
2) Ms. Sayali Atkare - Junior College

Furthermore, following students received Gold Medals for scoring highest marks in final year Board / University Examinations.

Seth Jahur Mohammad Jaipurwala Gold Medal was awarded to -

Ms. Shriya Mandaogade for Securing highest marks in HSC Examination - 2015

Adv. N. L. Rathi Gold Medal was awarded to -

Ms. Jaishree Chhangani for securing highest marks in BBA Final Examination - 2015

Seth Jahur Mohammad Jaipurwala Gold Medal was awarded to -

Ku. Avantika Sangai for securing highest marks in B.Sc. Final Examination - 2015

Adv. T.T. Rathi Memorial Gold Medal was awarded to -

Ms. Jaishree Chhangani for securing highest marks in BBA Final Examination - 2015

Late B.C. Bangadia Memorial Silver Medal was awarded to -

Ms. Shriya Mandaogade for securing highest marks in HSC Examination - 2015

Late Mrunal Madhusudan Rathi Memorial Gold Medal was awarded to -

Ms. Vaishnavi Thakare for securing highest marks in B.C.A. Examination - 2015

Shri Shankarlalji Rathi Gold Medal was awarded to -

Mr. Somesh Tiwari for securing highest marks in B.Com. Examination - 2015

College Magazine (Brijwani)

The College magazine **"Brijwani"** is published annually. This magazine serves as a platform for every student of the college to express his feelings and views in the form of words. Students' articles are published in the magazine which Include short stories, poems, jokes, etc. to express their hidden talents and bring them before the other students. The reports of various activities performed in the college during the year are also published. The achievements of the students and the staff are also acknowledged in magazine.

Internal Quality Assurance Cell

Internal Quality Assurance Cell is established in the college to monitor and upgrade the quality of the education. Every department organises seminars, workshops, Guest Lectures by using audiovisual aids like LCD Projector, Slide Projector, Overhead Projector in the college for the staff and the students..Programmes on extension services or community services are also organised. These activities are monitored by IQAC.

Wallpapers

The college brings out three wall papers namely Science World, Yuva Pragati and Impetus.

'Science World' is devoted to publication of articles on science to inculcate the habit of reading the articles on recent developments in Science. The wall magazine is displayed on the notice board once in a month.

'Yuva Pragati' is the wall magazine published by NSS unit of the college. In this wall paper the information about programmes and progress of NSS unit are displayed every month.

'Impetus' is the wall magazine published by BBA department of the college. In this wallpaper information about recent trends in management are displayed every month.

Students Consumer cooperative Store

The Student Cooperative store is established in the college. Students are requested to purchase books, practical records, notebooks, etc, through the store.

Request to Parents / Guardians

Parents / Guardians are requested to come to college during the session to meet the Principal and the teachers and to know the progress of their wards. It is desired that they will pay at least 2-3 visits in a year.

The college welcomes the cooperation of the guardians. They are requested to learn about the progress of their wards from the wards themselves and contact the college teachers or authorities whenever they desire.

Courses Offered for Students
- Junior College -

The college offers following subjects for two year Higher Secondary Certificate (HSC) Courses. There are two sections on Grant-in-aid and three sections on permanent non-grant basis.

For Standard XI

A) General Science Group -

1) English 2) Marathi or Hindi or Sanskrit 3) Physics
4) Chemistry 5) Mathematics & Statistics 6) Biology

In addition to these, college offers limited seats for following subjects run on non grant basis.

B) Electronics Group -

1) English 2) Physics 3) Chemistry
4) Electronics 5) Mathematics & Statistics

C) Computer Science Group; -

1) English 2) Physics 3) Computer Science
4) Chemistry 5) Mathematics & Statistics

D) Fisheries Group -

1) English 2) Physics 3) Chemistry
4) Biology 5) Fresh water Fish Culture

E) Information Technology Group -

1) English 2) Information Technology 3) Physics
4) Chemistry 5) Mathematics and Statistics 6) Biology

F) Commerce Group -

1) English, 2) Marathi / Hindi / Sanskrit, 3) Economics,
4) Secretarial Practice 5) Book keeping and Accountancy,
6) Organisation of Commerce and Management,

For Standard XII

The Student shall be admitted in standard XII in the same subject group offered by him in standard XI.

Qualifications for admission

For Standard XI

The Student who has passed S.S.C. Examination with at least 40% marks in science subject or 10 year S.S.C. Examination of any statutory Board in India with English as one of the subjects and with at least 40% marks in science subject, will be admitted to Standard XI (Science).

The student who has passed SSC Examination will be admitted to Std. XI (Commerce).

For Standard XII

The student who has passed XI of M.S. Board will be admitted to Standard XII. Local migration from any other institution, however, is not allowed.

- Senior College -
Bachelor of Science

The college offers following subjects for three year (Six Semester) B.Sc. Degree Course.

For B.Sc. I

Compulsory Subjects:

i) English ii) Marathi or Hindi or Urdu

Optional Subjects:

Any one of the following groups.

1) Chemistry, Physics, Maths.
2) Chemistry, Botany, Zoology.
3) Botany, Zoology, Biological Techniques and Specimen Preparation.
 # 4) Computer Science, Physics, Maths
 # 5) Computer Science, Statistics, Maths
 # 6) Computer Science, Physics, Electronics (Instrumentation)
 # 7) Maths, Physics, Electronics (Instrumentation)
 # 8) Computer Science, Statistics, Electronics (Instrumentation)
v 9) Chemistry, Zoology, Biotechnology.
v 10) Chemistry, Botany, Biotechnology.
*** 11) Bioinformatics, Botany, Chemistry*
*** 12) Bioinformatics, Zoology, Chemistry*
*** 13) Bioinformatics, Botany, Statistics*
*** 14) Bioinformatics, Zoology, Statistics*

** Biological Techniques and Specimen subject is a UGC sponsored vocational Subject, presently run on Non-grant basis. The first batch has passed out in April 99.*

 # Computer Science subject is introduced form the academic session 1999-2000. The college has permission from the Govt, of Maharashtra on Non-grant basis.

v The Biotechnology subject is introduced from the academic session 2005-06. The college has permission from the Govt, of Maharashtra on Non-grant basis.

*** i) The Bioinformatics subject is introduced from the academic session 2010-2011. The college has permission from the Govt, of Maharashtra on Non-grant basis.*

ii) The College reserves the right to change the group if less than ten students are admitted to any of the groups.

The student shall be admitted in B.Sc. II and B. Sc. Final in the same subject group offered by him in B.Sc. I.

Qualification for admission

For B.Sc. I

a) Students desirous of admission to optional subject groups 1,4, 5, 6, or 7 should have passed the H.S.C. (Standard XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or an equivalent examination with physics, Chemistry and Mathematics subjects or H.S.C. Examination (M.C.V.C. Stream) with Electronics Technology Trade from Engineering Technology Group or 3 year post S.S.C. Diploma of M.S. Board of Technical Education.

b) Student desirous of admission to optional subject groups 2, 3, 8, or 9 should have passed the H.S.C. (Standard XII examination of Maharashtra state Board of Secondary and Higher Secondary Education or an equivalent examination with Physics, Chemistry and Biology subjects or H.S.C. Examination (M.C.V.C Stream) with Medical Laboratory Technician Trade from paramedical group or Horticultural Trade or Crop Science Trade or Inland Fisheries Trade from Agricultural Group or Fish Processing Technology Trade from Fisheries group or 3 year post S.S.C. Diploma in Medical Laboratory Technician (DMLT) of M.S. Board of Technical Eduction.

c) Students desirous of admission to optional subjects groups 10,11,12,13 should have passed the HSC examination (Standard XII) of Maharashtra State Board of secondary & Higher Secondary Education or equivalent examination with physics, Chemistry, Biology and Mathematics.

For B.Sc. II

The Students should have passed *Semester I and II* Examinations of B.Sc. of Sant Gadge Baba Amravati University or an examination recognized as equivalent thereto with same optional subjects.

For B.Sc. Final

The students should have passed *Semester I to IV* Examinations of B.Sc. of Sant Gadge Baba Amravati University or an examination recognized as equivalent thereto with same optional subjects.

Bachelor of Business Administration

Duration & Syllabus

The Duration of Course is of 3 years. The syllabus is well drafted to suit present requirements. If is approved by Sant Gadge Baba Amravati University. Additional modules related with computers have been incorporated by the Institution.

Examination

The examination is conducted by Sant Gadge Baba Amravati University at the end of each year. The 80 marks are allotted to annual theory examination and 20 marks are allotted as seasonal marks on the basis of performance in college examination, field visit, assignments and attendance, Thus a student is continuously evaluated through a set of formal and informal methods involving mid-term tests, case discussion and presentation.

Admission Procedure

Direct admission on the basis of merit in qualifying examination and personal Interview.

Future Prospects

After completion of course, the student has better chances to get absorbed as Junior Management Executive or setup one's own business or further develop required skills and capacities for comprehension and analysis of business policies and practices by joining higher education courses like M.Com., MBA, M.C.A.. MFA, etc.

Qualifications for admission

For B.B.A. I

The student should have passed H.S.C. (Standard XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or an equivalent examination with two languages i.e. English (Compulsory) and any other Indian Language or Information Technology.

For B.B.A. II

The student should have passed B.B.A. I Examination of Sant Gadge Baba Amravati University or an examination recognised as equivalent thereto with same optional subjects.

For B.B.A. Final

The student should have passed B.B.A. II Examination of Sant Gadge Baba Amravati University or an examination recognised as equivalent thereto with same optional subjects.

Bachelor of Computer Applications

Fast growing information technology and communication systems have become critical components of almost every company's strategic plan. Companies which want to take advantage of the new information technologies and communication systems require expert professionals, who can apply computer science principles to solve problems faced by the interface between business and technology. This is an undergraduate program where students are exposed to various areas of computer applications including the latest developments keeping pace with the industry.

Objectives

The course aims at realizing the following students objectives.

i) To demonstrate a sound knowledge in key areas of computer science or industrial computing.

ii) To demonstrate a substantial understanding of concepts in key areas of computer science.

iii) To carry out the required analysis and synthesis involved in computer systems, information systems and computer applications.

iv) To demonstrate professional competence in developing software and in its design and implementation.

v) To develop sound practical skills to enable them in addressing the problems which arise from computer systems and applications.

Facilities

Outstanding highly academic core faculties, Excellent laboratory facilities, Hands-on experience on sophisticated instruments.

Eligibility

For B.C.A. I

The Student should have passed 10 + 2 or equivalent / 3 year Diploma from the State Board of Technical Education.

For B.C.A. II

The students should have passed *Semester I and II* Examinations of B.C.A. of Sant Gadge Baba Amravati University, Amravati.

For B.C.A. Final

Students should have passed *Semester I to IV* Examinations of B.C.A. of Sant Gadge Baba Amravati University, Amravati.

Bachelor of Commerce (Computer Application)

Duration & Syllabus

The three year full time Degree Course in commerce B.Com. (Computer Application) is recognized by Sant Gadge Baba Amravati University. Amravati.

The degree course is at present of annual pattern & is designed to meet the Challenges of rapid changes in corporate industry. The Curriculum is aimed at developing skill for outstanding businessmanship and is approved by Sant Gadge Baba Amravati University.

Objectives

- To impart adequate professional knowledge of commerce, finance, management and trade laws.
- To develop new skills and business relationship that will lead to increase trade.
- To impart compete knowledge about applications of computers in bussiness and industry.
- To impart complete understanding of information technology.
- To debelop sound practical skills & professional competence in developing software & implements.

Industrial Visit & Soft Skill Development

Industrial Visits shall be conducted at regular intervals. The object of visit is to expose students to the working culture and practical environment.

Other soft skill development activities which play an important role in the personality development of the students and enhance their career prospects will be planned throughout the year.

Eligibility

B.Com. (CommputerApplication) I

The Students should have passed 10 + 2 or equivalent examination with two language·s i.e. English (Compulsory) and any other Indian language and

B.Com. (CommputerApplication) II

The students should have passed B.Com I of Sant Gadge Baba Amravati University, Amravati.

B.Com. (CommputerApplication) III

The students should have passed B.Com II of Sant Gadge Baba Amravati University, Amravati.

Master of Science
M.Sc. Electronics (Semester and Choice Based Credit System)

Duration & Syllabus

The duration of the course is of two years (Four Semesters). The entire curriculum is distributed over sixteen theory papers to aim at transcending the students level for understanding for corporate readiness. Seminars, Industrial visits based on curriculum and other co-curricular activities form the integral part of studies.

M.Sc. (First Year)			
Semester - I		**Semester - II**	
P - I	Fundamentals of Semiconductor Devices	P - V	Analog circuit Design and Analysis
P - II	Instrumentation & Measurement Techniques	P - VI	Microprocessor & Microcontroller
P - III	Biomedical Instrumentation	P - VII	Digital IC's & Desing
P - IV	Optical Electronic Devices and Applications	P - VIII	Mechatronics
	Practical I		Practical III
	Practical II		Practical IV
M.Sc. (Second Year)			
Semester – III		**Semester - IV**	
P- IX	Antenna and Mobile Communications	P - XIII	VLSI Design and VHDL Programming
P -X	Power Electronics	P - XIV	Virtual Instrumentation
P - XI	Advanced Microcontroller and Embedded system	P - XV	Numerical Methods and C Programming
P - XII	Computer Hardware and Interfacing	P - XVI	Fuzzy logic and Neural Networks
	Practical V:		Practical-VII:
	Practical VI		Project Work: Practical-VIII

Facilities

Outstanding highly academic core faculties are available in the college. Beside this college arranges for eminent visiting faculties for specialized courses form other Universities / Industries.

Eligibility for M.Sc. I

Students passing B.Sc. Degree of Sant Gadge Baba Amravati University, Amravati with subject Electronics (instrumentation) Physics or Electronics Science or Electronics or B.C.S. / B.C.A. Degree or an equivalent examination of any recognized University.

Selection Process

Selection of an applicant for the M.Sc. Programs is based on the academic merit of their undergraduate examination. Few seats are reserved for reserved category students as per Govt. Regulation and also for the students from outside the University area.

An Innovative Programme of UGC

P.G. Diploma in Mechatronics

Salient Features of the Course

Mechatronics integrates knowledge and skills of Mechanical and Electronics Engineering required for machine automation. The diploma is of one year duration (two semester). The entire curriculum of the course is divided in 8 theory papers along with practicals or 4 theory papers, practicals and industrial training or major project. The diploma holder will have placement opportunities in automobile industry; electro manufacturing industries, services industries, etc where full automation is used.

Syllabus

Paper	SEMESTER-I	Paper	SEMESTER-II (Optional)	OR
I	Embedded system & Design	V	Finite Element Technique	Six months ON JOB TRAINING For MAJOR PROJECT
II	Robotics and Applications	VI	Industrial Tribology	
III	Digital Image Processing	VII	Design for Manufacture	
IV	Process Control	VIII	Real Time Operating System	
P-I	Practical-I (LAB-I)	P-III	Practical-III (LAB-III)	
P-II	Practical-II (LAB-II)	P-IV	Project	

Scope

The course provides thorough practical and theoretical input to the trainee to make him a multi-skilled professional. The student will be able to apply his multi-skills to the needs of an automated industry. Successful completion of the curriculum in Mechatronics Technology prepares students for positions in business and industries that manufacture, utilize or repair equipments incorporating electronics, mechanics, pneumatics, hydraulics and programming.

Admission Eligibility

B.Sc. Degree of Sant Gadge Baba Amravati University, Amravati with Electronics as an optional subject OR B.E. (Electronics) OR B.E. (Mechanical) OR any other equivalent recognized degree of any statutory university of India.

Selection Process

Selection of an applicant for the admission to this course is based on academic merit. Few seats are reserved as per GOVT, rules for reserve category students and for the students from outside University area and for industry sponsored candidates.

Special Provision

As per Sant Gadge Baba Amravati University rules Mechatronics diploma holders shall be considered eligible for the admission to direct second year of M.Sc. (Electronics) degree of this university, so the students have the opportunity to complete one diploma and M.Sc. degree in two years.

An Innovative Programme of UGC

P.G. Diploma in Biomedical Electronics

Salient Features of the Course

Now a days electronics technology is being extensively used in health care equipments so it needs to give the students the knowledge of health care equipments such as X-Ray or other imaging machines, ECG machines, Patient Monitors and many other sophisticated instruments. Taking into consideration the need of health care industry, this course has been specially designed. It is approved by, University, State Govt, and UGC. This course is introduced from the academic session 2012-13. The curriculum is of two semesters with 08 theory papers and practicals or Project.

Syllabus

Paper	SEMESTER-I	Paper	SEMESTER-II (Optional)	OR
I	Medical Physics	V	Signal Systems and Networks	Six months ON JOB TRAINING For MAJOR PROJECT
II	Microprocessor, Microcontroller & Computer Application in Medicine	VI	Bio-Medical Instrumentation	
III	Human Physiology & Physiological Model	VII	Sensors and Measuring Techniques	
IV	Biomedical Instrumentation	VIII	Multimedia & Medical Informatics	
P-I	Practical -I (LAB-I)	P-III	Practical -III (LAB-III)	
P-II	Practical-II (LAB-II)	P-IV	Project	

Scope

Diploma holder will get placement in central technical services units of hospitals and as a Biomedical Engineers in clinical engineering departments of hospitals.

Admission Eligibility

B.Sc. Degree of Sant Gadge Baba Amravati University, Amravati with Electronics as an optional subject OR B.E. (Electronics) OR any other equivalent recognized degree of any statutory university of India.

Selection Process

Selection of an applicant for the admission to this course shall be based on academic merit. Few seats are reserved as per GOVT, rules for reserve category students and for the students from outside University area and for industry sponsored candidates.

Special Provision

As per Sant Gadge Baba Amravati University rules Biomedical Electronics diploma holders shall be considered eligible for the admission to direct second year of M.Sc. (Electronics) degree of this university, so the students have the opportunity to complete one diploma and M.Sc. degree in two years.

Master of Science
Botany (Semester Pattern)

Duration & Syllabus

The duration of the course in of two years.(Four semesters). The syllabus prescribed by the university will be taught.

M.Sc. (First Year)			
Semester - I		**Semester - II**	
P - I	Cell Biology, Cytology and Genetics.	P - V	Cytogenetics and Molecular Biology.
P - II	Resources Utilization and Conservation	P - VI	Biology and Diversity of Microbes and Fungi.
P - III	Biology and Diversity of Algae and Bryophytes.	P - VII	Plant Physiology
P - IV	Plant Development and Reproduction.	P - VIII	Plant Metabolism
Pract.	Based on above papers.	Pract	Based on above papers
M.Sc. (Second Year)			
Semester – III		**Semester - IV**	
P- IX	Biology & Diversity of Pteridophytes & Gymnosperms	P - XIII	Plant Ecology
P -X	Taxonomy of Angiosperms	P - XIV	Environmental Ecology
P - XI	Applied Mycology -1 - Elective	P - XIV	Plant Biotechnology
P - XII	Plant Pathology - II - Elective	P - XVI	Genetic Engineering
Pract	Based on above papers.	Pract	Based on above papers

Facilities

Outstanding highly academic core faculties are available in the college. Beside this college arranges for eminent visiting faculties for specialized courses form other Universities / Institutions.

Eligibility

M.Sc. I — Students passing B.Sc. Degree of Sant Gadge Baba Amravati University, Amravati or an examination recognized as equivalent thereto.

M.Sc. Final — Should have passed the M.Sc. Part I (Botany) examination of the Sant Gadge Baba Amravati University or an examination recognized as equivalent thereto. The elective paper shall be taught if at least seven students opt. for that paper and shall be subject to availability of faculties.

Bachelor of Science (Additional)

The Subjects offerred

Computer Science	Biotechnology
Physics	Statistics
Maths	Chemistry
Botany	Zoology
Electronics (Instrumentation)	

The Student who has passed B.Sc. and desirous of passing B.Sc. (Addtional) in any one subject not offered by him for B.Sc. can do so as an external student and after completing the practical course of B.Sc. I and B.Sc. II and B.Sc. III of the subject in one year in a college and by appearing for all theory papers and practicals of all six semesters of B.Sc. simultaneously.

Limited facility is available for such external students desirous of appearing for B.Sc. (Additional) for completing their studies of laboratory course in any one of the following subjects. The fees for the same may be enquired in the office. The necessary certificate will be issued by the college.

Ph. D. Programmes

Subjects		**Intake**
Chemistry	-	***12***
Botany	-	***05***
Electronics	-	**10**

The College Laboratories of above mentioned subjects are recognised for research work for Ph. D. Degree. The teachers are also recognised as Ph.D. guides.

The students having post graduate degree in above mentioned subjects and having cleared Ph. D. Aptitude Test should contact the concerned guides for admissions.

The fees prescrbed are Rs. 5000/- per year or part thereof.

Career Oriented Add-On Courses
Certificate / Diploma / Advanced Diploma Courses
ANALYTICAL CHEMISTRY / BIOTECHNOLOGY / INFORMATION & COMPUTER TECHNOLOGY

Objective

In order to equip the students with applied practical knowledge in various subjects the UGC had drafted some 'Career Oriented Add-on Courses' under the scheme of Introduction of Career Oriented Programme. This college has been granted following Add-on Courses in three subjects namely Analytical Chemistry, Biotechnology and information & Computer Technology. The College has introduced these courses from session 2006-07.

1. Certificate Course in Analytical Chemistry.
2. Certificate Course in Biotechnology.
3. Certificate Course in Information & Computer Technology.
4. Diploma Course in Analytical Chemistry.
5. Diploma Course in Biotechnology.
6. Diploma Course in Information & Computer Technology.
7. Advanced Diploma Course in Analytical Chemistry.
8. Advanced Diploma Course in Biotchonology.
9. Advanced Diploma Course in Information & Computer Technology.

All these courses are self-contained courses. The students of UG classes can be admitted to these courses. The students can study any one of these courses simultaneously with their UG studies. After completing theses courses the students will be adequately equipped to go for any job in industries or allied field. Even they can start their own laboratory or business.

Duration and Syllabus

The duration of each course in of 1 year (300 hours teaching) and comprises of theory, practicals and field / project work. The classes for these courses will held after regular college work and / or on Sundays / holidays and / or during vacations. The syllabi for these courses are approved by Sant Gadge Baba Amravati University, Amravati. The courses include adequate theoretical knowledge and rigorous practical training and are supplemented by field / project work or on-job training in nearby industries or research laboratories.

The University may consider issue of Honours Degree In future to the students who have successfully completed three courses (900 hours of training) as per suggestion of UGC.

Admission Criteria

Certificate Course

Any Student Studying in B.Sc. / B.B.A. / B.C.A / B.Com. shall be eligible for admission to certificate course in that subject.

Diploma Course

Any student studying in B.Sc. / B.B.A / B.C.A / B.Com. and who has completed certificate course in a particular subject shall be eligible for admission to Diploma Course in that subject.

Advanced Diploma Course

Any student studying in B.Sc. / B.B.A. / B.C.A. / B.Com. and who has completed Diploma Course in a particular subject shall be eligible for admission to Advanced Diploma Course in that subject.

Examination

The examination for each course will be conducted by the college at the end of each year for each course. The successful student will be awarded Certificate / Diploma / Advance Diploma as the case may be.

Future Prospects

After completion of these courses the students will be well versed with applied knowledge and they can be absorbed in industries, research laboratories, etc. They can also start their own industry if they desire to do so. Further, if they wish to join PG courses their performance will be definitely better than other students who have not done these courses. This is because, passing these courses will definitely improve their grasping power, knowledge of subject matter and over and above will boost their confidence.

For details of these courses, the students are advised to consult following Course coordinators.

Dr. Ms. S.N. Gupta	for	Analytical Chemistry
Prof. Ms. S. G. Dhakite	for	Biotechnology
Prof. K. M. Supatkar	for	Information & Computer Technology

Fee Structure

These courses are sanctioned on no-grant basis. Therefore the fee structure for different add on courses shall be as follows. It is subject to change as per direction from UGC / State Govt. University / College.

Courses	Analytical Chemistry	Biotechnology	Information & Computer Technology
Certificate Course	1000/-	1000/-	1000/-
Diploma Course	1500/-	1500/-	1500/-
Advanced Diploma Course	2000/-	2000/-	2000/-

Diploma in Event Management

The Shiksha Samitee has started a self-sponsored management course "Diploma In Event Management." It is a one-year course spread over two semesters. Adequate knowledge about 'Event Management' with practical experience will be given to students.

After completion of this course students can start self- earning. An opportunity to work with eminent event management concerns is also possible.

Classes will be conducted twice a week and eminent event managers from Mumbai, Pune are associated as visiting faculty.

Students who are regularly engaged in other courses such as B.Sc, B.Com., B.A. or others who are in business / profession can also seek admission for this course. All facilities available in the college (such as Library, Computer laboratory and Sophisticated Audio Visual aids etc.) will be available to these students.

The two semesters have following study components. -

1st Semester includes

1) Management and Human Resource Management
2) Event planning, Management and creative thinking.
3) Personality Development.

2nd Semester includes

1) Event Marketing and Promotions.
2) Event Finance and Entrepreneurship Management.
3) Laws related to Event Management.
4) Event Production, celebrating & Sports Management.

Project work will be given to each student. Some events will be given to a group of students, which they have to manage.

Seats - 20

Fees - Rs. 10,000/- (For entire course)

Admission starts from 1st August 2016

Classes will start from the first week of August.

Coaching Classes for entry in services for SC/ST/OBC (non creamy layer) and Minorities

The well being and development of the scheduled caste (SC), scheduled Tribes (ST), OBC (non creamy layer) and minorities are important indicators of the strength and success of democratic society. To increase the role of these communities in the administration, in all India/State/Provincial Services and other sectors government provides reservation of seats. Different types of examinations are conducted to recruit the staff at national and state level. In order to prepare students belonging to SC/ST/OBC (non creamy layer) and minority communities for such examinations, the University Grants Commission was provided grants to undertake the coaching classes.

Aim and Objectives

1) To prepare students belonging to SC/ST/OBC (non creamy layer) and Minority communities to get gainful employment in Group 'A', 'B' or 'C central services and state services.
2) To prepare students for IAS examination.
3) To provide coaching for M.P.S.C. (state services) examination.
4) To provide coaching for enhancing the fundamental knowledge for preparation of UPSC and MPSC examinations.
5) To develop 'study centre' for different competitive examinations.

Working

The lectures are organized in college, in evening from 5.30 pm to 6.30 pm on four days in a week. The teaching faculties are experienced persons who are involved in the field since five to ten years. The separate library facilities / computer laboratory are made available students.

Remedial Coaching Center

The center has been established under UGC scheme. At this center, Remedial Coaching Class are arranged for the students coming from weaker section of the society such as SC / ST / OBC and minorities. The coaching is provided in different science subjects, English, Mathematics, etc. Bridge Courses are also arranged.

A separate library is established for the students admitted to Remedial Coaching Classes and the books are issued to them for home reading. The center also arranges the guest lectures by eminent personalities. The coaching classes are arranged in the evening 5 p.m. to 6 p.m. on working days and on Sundays as per need.

Admission Rules

1. Every Student seeking admission to the college shall satisfy himself / herself that he / she is eligible to take admission to the college affiliated to the Maharashtra State Board of Secondary and Higher Secondary Education (Herein after referred to as Board), Sant Gadge Baba Amravati University, Amravatl (Here-in-after referred to as University) and the class or year for which he / she is applying. For any mistake in this respect he / she himself/ herself will be entirely responsible. Every student shall take admission at his / her own risk subject to the rules for admission made by the Board / University / Govt.
2. Every student shall make an application for admission on a prescribed from in his / her own handwriting completed in all respects and dully attested by his/ her father or legal guardian.
3. The application for admission should be accompanied with attested copies of:
   - i) School / College leaving certificate from the last institution he / she had attended.
   - ii) Date of birth certificate and caste certificate if he/she belongs to backward class and when the same is not mentioned in the original transfer certificate.
   - iii) Mark list of last examination passed.
   - iv) If there is a gap of one of more years between joining this college and last qualifying examination passed, then the student will have to produce a gap certificate stating that he / she did not join any institution during the period nor did he / she appear for any examination during that period.
   - v) Student from other University is required to submit migration certificate along with immigration fees Rs. 90/- for student migrating from other University in Maharashtra or Rs.140/- for students migrating from University / Board outside Maharashtra and in case of Board, eligibility certificate along with fees Rs. 300/-. Non-compliance of this requirement will entail payment of late fee or even cancellation of the admission. Students passing SSC / HSC from Maharashtra State Board of Secondary Education, Pune or its Divisional Board are exempted from submitting the migration certificate.
   - vi) Student passing from Boards other than MS Board will have to submit the final eligibility certificate from the Amravati Divisional Board. Till then his / her admission will remain provisional and student and his / her parents / guardian will be responsible for non-issue of eligibility by the Board and Cancellation of admission.
   - vii) On admission, the student cannot join any other college / course simultaneously as per University Rules.

   - viii) Signature of the student / guardian may be verified form time to time, hence usual signature should be put to avoid future complications.
4. All notices related to admission will be displayed on the college notice-board only. No correspondence will be made in this regard.
5. Admission will be made on merit basis as per the rules prescribed by the Board / University / Govt. Reservations and quotas as fixed by the Govt, will be applicable. Any attempt on the part of the candidate or a person interested in him / her to canvass with a view to solicit support for his / her admission will disqualify the student from admission to the college.
6. The admission will be confirmed after payment of fees payable at the time of admission and submission of original transfer certificate, mark list and other documents.

   Before submitting original documents sufficient true copes should be retained by the student for future use. Original documents (except. T.C. & migration certificate / eligibility certificate) will be returned after verification.
7. The last date of admission to the college is 1st August 2016 or as will be prescribed by the college / Board/ University. The College students should take admission within 10 days from the date of declaration of result.
8. The syllabi of instructions for various courses shall be as prescribed by the University / Board. These shall be available in library or can be purchased from University/ Board.
9. The student will not be allowed to change subjects after 14th August 2016 The decision of the Principal shall be final in this matter.
10. Medium of instructions for all classes will be English.
11. Every student will have to join NCC or PT or NSS. Incentive marks for participation in NCC, NSS, Games and sports and other ECA are awarded by the University to senior college students.
12. If may be clearly noted before taking admission in the college that no class will be opened or no subject will be taught if atleast 20 students have not offered the same.
13. All the students who are appearing for the first time at University Examination will have to fill enrolment form along with all necessary certificates and other forms before due date. Appropriate late fee will be charged if a student fails to submit his / her form before the due date. The students already enrolled with Sant Gadge Baba Amravati University should give their Enrollment Number.

Reservation

The College is run by Hindi Linguistic Minority Educational Society. Therefore 50% seats are reserved for hindi speaking students domiciled in Maharashtra. The remaining 50% seats are allotted to students of any caste, creed, religion, gender, mother tounge, domicile, etc.

Identity Card

Every bonafide student of the college will be issued identity Card on payment of prescribed Fees. The students are advised to collect their identity cards from the college office within a month after the admission, otherwise they will not the allowed to sit in the classes.

Duplicate identity card will be issued at their own risk on payment of Rs.50/- A student must always keep his/her identity card with him / her while attending the college functions, receiving the scholarship or library books or while on educational tour. A student may not be allowed to enter the college campus without his/ her identity card.

Govt. Concessions, Freeships, Scholarships, etc.

The related information is given in the Appendix.

The rules regarding grant or concession, freeships and scholarships are subject to change by the Government. For any difficulty, guidance, help of the Office Superintendent be taken.

Medical Examination

Every student on the roll of the college must present himself / herself for medical inspection before the Medical Officer appointed by the college. The medical inspection of student shall be held in the college premises once every year.

If a student fails to present himself / herself for the medical inspection at the appointed time his / her case will be reported by the Medical Officer to the Board / University and the defaulter shall be liable to pay fine.

Refund of Deposits

The students will have to apply for refund of deposits and caution money within three years from the date of leaving college. After this, no application will be entertained for refund and the amount of forfeited will be credited to the students amenities fund of the college.

Deposit money will not be retuned to a student so long as he / she does not clear the college dues. Refund will be made to concerned student only.

A Word of Advice to our students

- Remember you are laying the foundation of your career and shaping your personality by what you think, speak and do in the college.
- You should cultivate such habits which will keep you physically fit and mentally alert.
- Do not cultivate friendship with undesirable contemporaries for you are known by the company you keep.
- Be honest, upright and straight forward in all your dealings.
- Have respect for all your classmates and other college students. Remember all students are equal in the college. Be respectful to lady students in your class, treating them as your sisters.
- If you are intelligent, let your classmates be benefitted by your intelligence.
- Study regularly and earnestly right from the very beginning of the session. Study yourself, consult your teachers for solving difficulties in study, if you have any.
- Take down as much of what your teachers write on the board. While studying at home do enough written work as writing makes your ideas clear and prepares you to take examination with confidence. Try to complete your practical record book in the class itself as far as possible.
- Pay full attention to what the teacher delivers in the class, study all the topics given in the syllabus and do not make selective study as this leads to frustration in the examination. See if you can write answers to questions asked in at least last three years University / Board examinations.
- Do the home assignment regularly, seriously and independently and take monthly and test examinations seriously so that success in the University / Board examination is guaranteed.
- Utilize every minute of your leisure well. Always use polite language.
- Attend all college functions arranged for you.
- In your words, writing and actions, show highest respect for your teachers and the college staff. Learn to live for others. Develop good personality.
- Look after the safety of your things yourself so that you have no occasion to complain for the loss of personal property.
- Follow dress code, Wear a neat and clean uniform. Your dress is a clue of your training at home and of personality.
- Seek every opportunity to render Social Service and develop your personality.

The details of course contents, fees, admission criteria and procedure can be had from Dr. Anand D. Rangari, Co-ordinator YCMOU Study Center.

ACADEMIC PRIZES WINNERS OF 2015 EXAMINATIONS

Prof. M. V. Patmase sponsored Late Vitthalrao Patmase Memorial Prize of Rs.401/-
was awarded to Mr. Manoj Kute for securing first position in B.Sc.I.

Prof. A. K. Shende sponsored Late Kashinathji Shende Memorial Prize of Rs.401/-
was awarded to Mr. Pranit Khandar for securing highest marks in Physics in B.Sc.I.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku.Prajakta Gaopande for securing highest marks in Biotechnology in B.Sc.I.

Dr. A.U. Pachkhede sponsored Late Uddhavrao Pachkhede Memorial Prize of Rs.401/-
was awarded to Ku. Renuka Pande for securing highest marks in Botany in B.Sc.I.

Prof. K. A. Borkar sponsored Prize of Rs.401/-
was awarded to Ku. Swati Soni for securing highest marks in Electronics in B.Sc.I.

Dr. W. S. Marathe sponsored Prize of Rs.401/-
was awarded to Ku.Amruta Punjabi for securing highest marks in Computer Science in B.Sc.I.

Prof. S. G. Khobragade sponsored Prize of Rs.401/-
was awarded to Mr. Pranti Khandar for securing highest marks in Chemistry in B.Sc.I.

Dr. Mrs. P. R. Agrawal sponsored Prize of Rs.401/-
was awarded to Mr. Manoj Kute for securing highest marks in Mathematics in B.Sc.I.

Prof. Mrs. M. A. Gadve sponsored Prize of Rs.401/-
was awarded to Ku. Apeksha Kolhekar for securing highest marks in Statistics in B.Sc.I.

Dr. Ms. R. R. Laharia sponsored Prize of Rs.401/-
was awarded to Ku. Lata Sunkara for securing highest marks in Zoology in B.Sc.I.

Dr. W. S. Marathe sponsored Prize of Rs.401/-
was awarded to Ku.Priya Gulhane for securing first position in B.Sc.II.

Dr. A. D. Rangari sponsored Late Domaji Ramaji Rangari Memorial Prize of Rs.401/-
was awarded to Ku. Rani Malve for securing highest marks in Physics in B.Sc.II.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku.Amruta Warhekar for securing highest marks in Biotechnology in B.Sc.II.

Dr. A.U. Pachkhede sponsored Late Indirabai Pachkhede Memorial Prize of Rs.401/-
was awarded to Ku. Falguni Jain for securing highest marks in Botany in B.Sc.II.

Dr. G. D. Agrahari sponsored Late Durgaprasadji Agrahari Memorial Prize of Rs.401/-
was awarded to Ku.Anchal Chandak for securing highest marks in Electronics in B.Sc.II.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku. Kalyani Vaidya for securing highest marks in Computer Science in B.Sc.II.

Dr. Ms. S. N. Gupta sponsored Late Sumitradevi Bhaiyalal Gupta Prize of Rs.401/-
was awarded to Ku. Mudra Bansod for securing highest marks in Chemistry in B.Sc.II.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku. Kalyani Vaidya for securing highest marks in Mathematics in B.Sc.II.

Prof. D. T. Deshmukh sponsored Late Tryambakrao Deshmukh Prize of Rs.401/-
was awarded to Ku. Anchal Chandak for securing highest marks in Statistics in B.Sc.II.

Dr. K. B. Sangve sponsored Prize of Rs.401/-
was awarded to Ku. Mudra Bansod for securing highest marks in Zoology in B.Sc.II.

Prof. R. Y. Narkhede sponsored Late Nalinibai Narkhede Memorial Prize of Rs.401/-
was awarded to Ku. Avantika Sangai for securing highest marks in Physics in B.Sc.III.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku.Amruta Warhekar for securing highest marks in Biotechnology in B.Sc.III.

Dr. N. H. Shahare sponsored Late Dr. Jayant Shahare Memorial Prize of Rs.401/-
*was awarded to Ku.*Shraddha Gawhale *for securing highest marks in Botany in B.Sc.III.*

Dr. D. S. Dhote sponsored Late Sheshraoji Dhote Memorial Prize of Rs.401/-
was awarded to Ku. Manali Khare for securing highest marks in Electronics in B.Sc.III.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku.Avantika Sangai for securing highest marks in Computer Science in B.Sc.III.

Dr. P. B. Raghuwanshi sponsored Prize of Rs.401/-
*was awarded to Ku.*Shraddha Gawhale *for securing highest marks in Chemistry in B.Sc.III.*

Brijlal Biyani Science College sponsored Prize of Rs.401/-
was awarded to Ku. Avantika Sangai for securing highest marks in Mathematics in B.Sc.III.

Brijlal Biyani Science College, Amravati sponsored Prize of Rs.401/-
was awarded to Ku. Manali Khare for securing highest marks in Statistics in B.Sc.III.

Dr. Mrs. S. R. Katke sponsored Prize of Rs.401/-
*was awarded to Ku.*Shraddha Gawhale *for securing highest marks in Zoology in B.Sc.III.*

Mr. R. H. Mankar sponsored Late Wamanrao Mankar Memorial Prize of Rs.401/-
was awarded to Ku.Simran Mehta for securing first position in B.B.A.I.

Dr. S. B. Lohiya sponsored Late Balkisanji Lohiya Memorial Prize of Rs.401/-
was awarded to Ku. Sejal Dulare for securing first position in B.B.A.II.

Adv. Ashokji Rathi sponsored Late Mrunal Madhusudan Rathi Memorial Prize of Rs.1001/-
was awarded to Ku.Ayushi Gosaliya for securing first position in B.C.A.II.

Adv. Ashokji Rathi sponsored Late Mrunal Madhusudan Rathi Memorial Prize of Rs.1001/-
was awarded to Ku. Shriya Makwane for securing first position in B.C.A.I.

Dr. V. V. Vaidya sponsored Late Anant Krushnaji Vaidya Memorial Prize of Rs.401/-
was awarded to Mr. Dhatri Tiwari for securing first position in B.Com. I.

Dr. S. B. Lohiya sponsored Late Balkisanji Lohiya Memorial Prize of Rs.401/-
was awarded to Ku. Kanchan Saini for securing first position in B.Com.II.

Dr. D. S. Dhote sponsored Speed (Amravati Chapter) Prize of Rs.401/-
was awarded to Ku. Sapna Khandar for securing first position in M.Sc.I

Shri. Brijlal Biyani Shiksha Samiti, Amravati sponsored Prize of Rs.401/-
was awarded to Ku. Akansha Deshmukh for securing first position in M.Sc. II

ACADEMIC CALENDAR 2016-17

1st Session : 13-06-2016 to 22-10-2016

2nd Session : 14-11-2016 to 29-04-2017

SN	Month	Programms	Date
1	June'16	a) Admissions by Admission Committee	
		b) Opening of College and Principal's Address to the students	15th
		c) College Council Meeting	
		d) Selection of Class Teachers and Distribution of Activities	
		e) Admission of Students

Results of Competitive Examinations 2015

In **MH-CET 2015** Examination **Shri. A. P. Vyawahare** scored **190** and was highest amongst all college students. In all 19 students scored above 130 in MH-CET.

The result of JEE was not satisfactory, only six students scored above 100 out of 360.

STUDENT CHARTER

Every stakeholder of higher education has a role to play for quality enhancement and sustenance. The stakeholders such as the Government, Management, teachers, students and parents have an important role in ensuring quality of higher education.

Of all the stakeholders mentioned above, the students have a unique role to play in ensuring quality of higher education. Firstly, the students should realize that they have the right for quality education and it is the responsibility of the college to provide quality educational experience to learners. Secondly, the students should equally be aware of their responsibilities which in turn will help the college to provide quality education. This means that the students should demand quality education and demonstrate their commitment to quality education by accepting their responsibilities. Otherwise the college will have very little motivation for quality enhancement.

Therefore we adopt following student charter.

A) Institution's responsibilities towards students

The institution shall

- ❖ communicate its goals and objectives systematically and clearly to all students.
- ❖ offer programmes that are consistent with its goals and objectives.
- ❖ offer a wide range of programmes with adequate academic flexibility.
- ❖ obtain feedback from students on the initiation, review and redesign of programmes if and when necessary.

- ❖ facilitate effective running of the teaching-learning programmes.
- ❖ implement a well-conceived plan for monitoring student progress continuously.
- ❖ ensure that the student assessment mechanism is reliable and valid.
- ❖ provide clear information to students about admission and completion requirements for all programmes, the fee structure and refund policies, financial aid and student support services.
- ❖ ensure sufficient and well-run support services to all students.
- ❖ promote healthy practices.

B) Student's responsibilities of learning

The student shall

- ❖ appreciate the institutional goals and objectives and contribute to the realisation of the same by participating in relevant institutional activities.
- ❖ have a clear knowledge of the programmes, admission policies, rules and regulations of the institution.
- ❖ follow the time schedules, rules and regulations of the institution.
- ❖ undertake regular and intense study of learning materials.
- ❖ make optimum use of the learning resources and other support services available in the institution.
- ❖ prepare for continuous internal assessment and term-end examinations.
- ❖ give feedback for system improvement.
- ❖ have faith and ability to pursue life long learning
- ❖ live as worthy alumni of the institution.
